

Beachwear

We love sustainable fashion. | Do Good. Feel Good.

COLOUR DIRECTION    

DIRECTION AND REFERENCES, NOT OUR PHOTOGRAPHY.

Sculpted coast

Sculpted swim. Sun-washed colour. Fluid resort layers.

COLOUR DIRECTION

ILLUSTRATION: AI CONCEPT STUDY

Sculpted essentials

One-piece silhouettes with considered detail

After dark

Black swimwear, from clean bandeaus to halter lines

A different angle

Cut-outs, knots & asymmetric shapes

Texture in colour

Tactile surfaces and confident colour

Sporting lines

Long sleeves, cropped tops & clean contours

Print at the waterline

Animal motifs meet botanical colour

Print & movement

Botanical statements, graphic rhythm & long summer lines.

The striped set

Graphic rhythm, front to back

A brighter coast

Saturated colour in two-piece silhouettes

Sunlit details

Gingham, embroidery & soft pink

Botanical swim

Floral placement and asymmetric lines

Poolside contours

Sport-inspired panels & cut-out florals

Pink, redefined

Ribbed halters & sculpted cut-outs

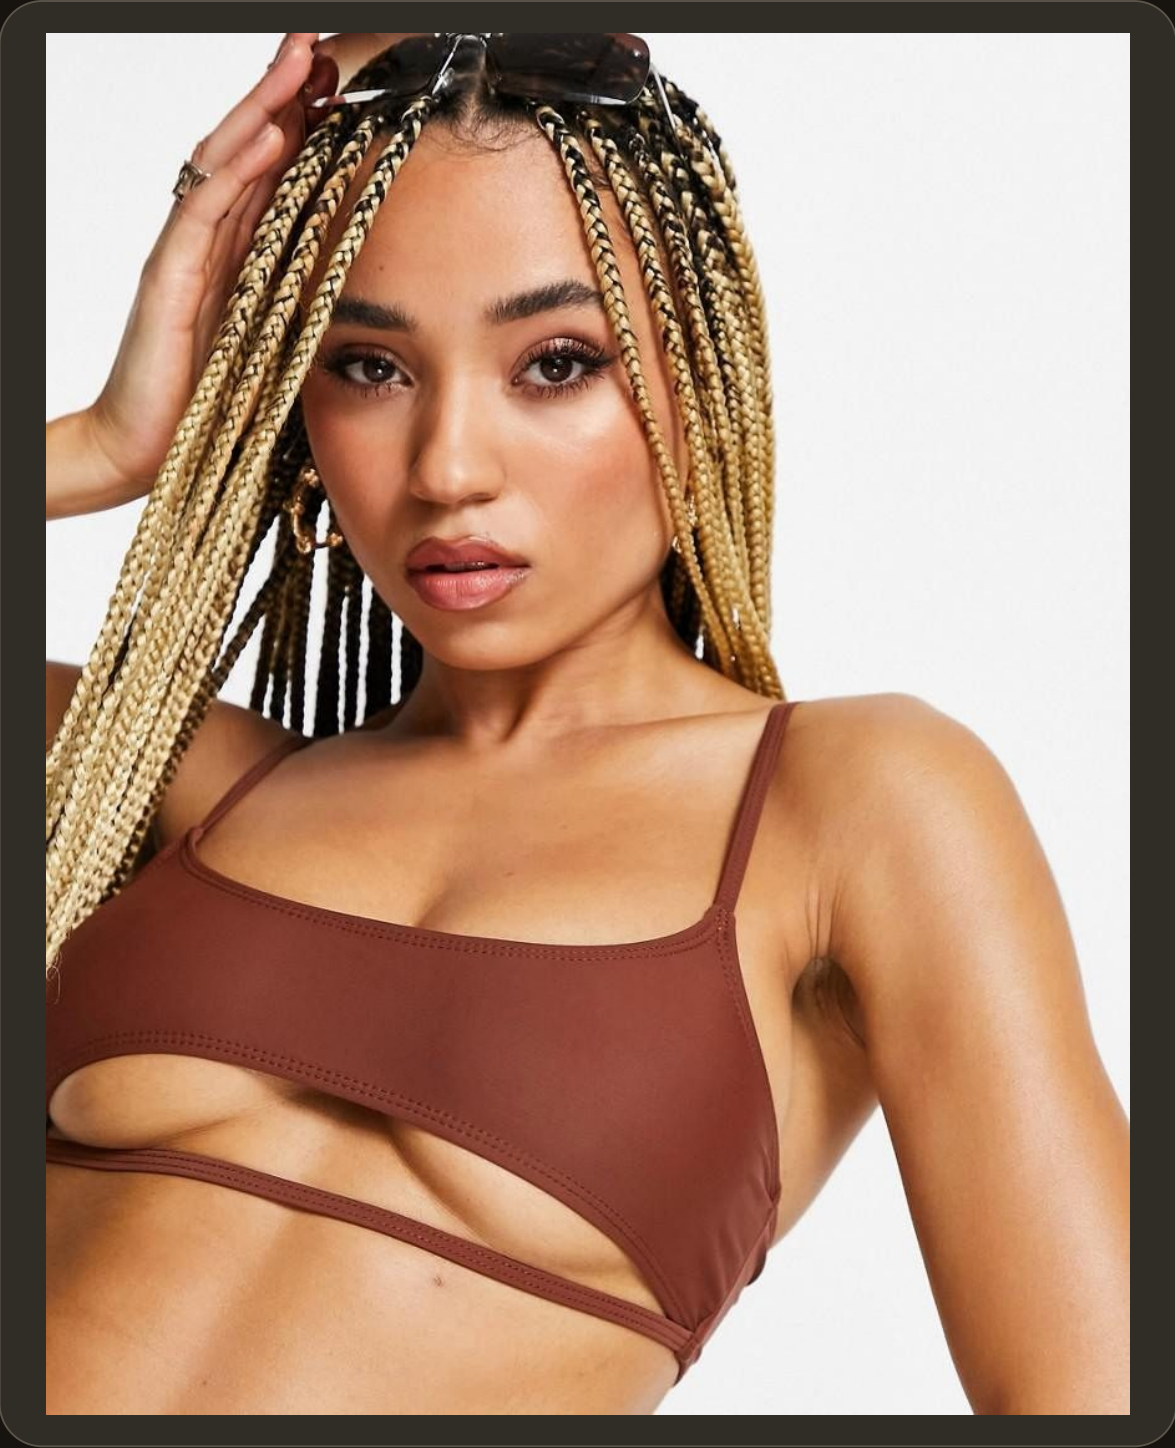

Quiet confidence

A monochrome swim study

Natural ease

Warm tones & expressive print

Beyond the beach

Resort layers for the hours between swims

After the swim

Open textures and easy silhouettes, from pool to promenade.

Open layers

Easy shirts over a swim foundation

One-piece dressing

Short silhouettes, effortless movement

Print in motion

Printed layers & fluid resort silhouettes

Island dressing

Easy resort dressing, from day to evening

Light, layered

Lace cover-ups, front to back

Sheer simplicity

Open textures and long lines

Coastal textures

Crochet, lace & fluid silhouettes

From pool to promenade

Matching layers and easy separates

Summer, softly

White separates & sunlit colour

Let's shape what comes next.

Do Good. Feel Good.
